Objective: At the conclusion of this continuing medical education activity, participants should be able to:

1. Differentiate between Gestational, Type 2 and Type 1 diabetes in pregnancy.
2. Discuss controversies in management of diabetes in pregnancy.
3. Identify the available tools for treating diabetes mellitus.

Accreditation Statement/Credit Designation:

The Sanford School of Medicine of The University of South Dakota is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The Sanford School of Medicine of The University of South Dakota designates this educational activity for a maximum of one (1) *AMA PRA Category 1 Credit*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

The Office of Continuing Medical Education, Sanford School of Medicine of The University of South Dakota is an approved provider of continuing nursing education by CNE-Net, the education division of the North Dakota Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. Nursing participants will be awarded one (1) contact hour of credit for attendance upon completion of the activity and submission of the evaluation form.

Target Audience: Physicians and healthcare professionals involved in women's health.

This program is supported by an educational grant to the Department of Obstetrics and Gynecology of the Sanford School of Medicine of The University of South Dakota from the South Dakota Department of Health.
